Paintball at Rhodes Grove Camp

This letter is to inform both the parents and camper of the expectations of playing paintball at Rhodes Grove Camp. We want to ensure a safe and fun camping experience for all parties involved.

- 1. NO ONE is to bring their own paintball equipment. We will be using markers, masks, air, and paint from the provider. Please leave your paintball things at home. This includes markers, paint, air, and anything else not yet mentioned.
2. Camouflage is OK and is encouraged.
3. You will need to bring extra clothing as you will be getting dirty/wet/covered in paint. Please bring plenty to wear.
4. Please play fair. If you get tagged, please remove yourself from the field immediately and proceed to the "safe zone".
5. Your fee includes some paint. If you would like to buy extra paint, you need to bring your own money to do so. We can store it in the camp store bank and give it to you the day of the elective.
6. Please keep all equipment in designated zone only. At no time should there be any paintball equipment outside of the designated area. Failure to comply with this rule will result in removal from this activity for the remainder of camp with no refund given. Thank you in advance for obeying this rule.

I know that the campers and staff are going to have a great time playing together. I am looking forward to the campers and counselors bonding through this activity.

Please make a copy of this letter for your records and sign and date this form and return it to Rhodes Grove by registration. I'm looking forward to seeing what God does at camp this summer. Thank you for allowing your camper to experience all that Rhodes Grove has to offer.

If you have any questions please do not hesitate to ask .

May God bless you and your family,

Tim Wolff
