Dear Rhodes Grove Camp: I greet you in the name of Jesus, hoping in God that you are full of health next to your loved ones! At the project I have learned to help the persons by keeping them in a safe area when there is an earthquake and to protect my life so that we do not get injured in case of any disaster. I tell you that I am in the 3rd grade. I have 4 teachers and one of them is named Manuel and he teaches me the subject of mathematics. I go to church 3 times per week with my mom. Not long ago I went to a party and I had a lot of fun. It was the birthday of my cousin George. When is your birthday? I ask you to please pray to God for my studies and for me to have a lot of wisdom because I want to pass this year with good grades, and I hope our Lord blesses and multiplies on you the help you give me. With love, Anderson Colorado
