

Dear Parents,

Rhodes Grove Camp and Conference Center is focused on providing a safe, inviting, Christ centered program for this year's 2021 Elementary Winter Blast!

We have been operating under COVID-19 protocols since March 2020, and will continue to do so, for as long as we need to. All of our decisions are based upon these guiding principles:

1. Trusting God!
2. Following guidance, and mandates laid out before us from our governing authorities, CDC, state and local health officials.
3. The ability to provide a safe environment for all of our staff, campers, and volunteers.

We plan to continue to be able to provide an unforgettable experience for our campers and guests. Some of the protocols we will be following for our winter blast retreats are as follows:

- All staff campers, and volunteers will be temperature screened, and answer a series of COVID-19 screening questions.
- Limited staff in order to maintain proper social distancing, no more than 15.
- Social distancing will be maintained by all staff, campers, and volunteers.
- All activity materials will be sanitized between each use, and also during, when the materials will be handled by multiple users (ie. Balls, and game materials).
- All chairs will be separated by 6 ft distance and will be sanitized after each use. (Chapel, and Dining hall)
- Staff will be required to wear masks, outside of dining, and sleeping.
- Campers will not be required to wear a mask. (Once they clear a temperature check.)
- All beds will be separated by a minimum of 6ft.
- Bathrooms will be at a limited capacity of campers or staff at a time and will be sanitized a minimum of 2 times daily.
- Offering a day option for campers, and families who do not wish to have their children stay the night.

We look forward to an unforgettable weekend with your campers! We plan to focus on the Gospel of Jesus, while playing games, making crafts, and having fellowship.

We thank you for your continued support of Rhodes Grove Camp and Conference Center!

Sincerely,  
Rhodes Grove Leadership Team
