## TRADITIONAL CAMPS

Experience a week full of good friends, great food, Biblical teaching, worship, other fun games, and awesome activities.

We offer a variety of experiences like our 300 FT zip-line, 300 FT water slide, gaga pit, camp store, snack bar, coffee shop, and other fun activities.

All this while learning more about the Bible and growing your relationship with God. We offer day camp options for campers who are not ready to stay overnight. We cannot wait for your camper to experience an #UNFORGETTABLE summer in 2022.

## Equestrian Camps

**Mustangs and Mavericks** – The highlight of this week will be an overnight trail ride and sleeping under the stars with your friends. Designed for intermediate riders to increase their riding skills. Horses and tack are provided by camp. A minimum 15 hours of previous horse experience is required.

**Wild Wind** – Designed for advanced trail riders looking for the ultimate equestrian adventure, who are comfortable with tacking and mounting their horses independently. This rustic adventure will include three days of trail riding, with two nights in a tent, Dutch oven cooking, trail games and outdoor chapel by a fire. Wild Wind will allow riders to see the glory of God's creation on horseback. Elements of the trail experience can be challenging, so riders must have previous RGC horse camp (or equivalent) experience.
