

RHODES GROVE CAMP & CONFERENCE CENTER

Summer Camp Role Description – Camp Nurse

Summer Staff Role Title: Camp Nurse
Immediate Supervisor: Program Director & Executive Director

Description Overview:

A Camp Nurse helps create Christ-centered experiences that reveal our place in God's story by keeping our campers and guests safe as they participate in the camp programming.

Job Responsibilities:

- The Camp Nurse oversees medical procedures and safety of the campers and staff during their week as Camp Nurse
- Be sure that all safety measures are followed and adhered to according to state regulations
- Daily, the Camp Nurse will pour and administer Medications for each medication time, Breakfast, Lunch, Dinner, and Bedtime
- After each Medication Administration, the Camp Nurse will sign off on the Medication Administration Sheets
- Administer care for medical needs that arise
- Record accurate and pertinent notes about the administration of medical care

Additional Requirements:

For a listing of additional expectations and procedures, contact the Program Director, Rev. Dr. Sam Yeager at sam@rhodesgrove.com.
