FOR YOUR WORKPLACE OR GROUP

Unplug your staff or group for a day or even a weekend to promote team building and connect at a different level outdoors.

Try out the disc golf, ropes courses, zipline, sand volleyball, gaga pit, campfire pit, porch swings, playgrounds, swimming pool (reopening Summer 2025) and more. If you want to stay indoors, our **Retreat Center** has a gymnasium offering a basketball court and fireplace as well as bunk beds and bathrooms. The **Meadows Conference Center** provides many different room options for meetings, hotel rooms, and a kitchenette to cook together. Or choose to have our staff cook your meals.
